SERVICES    English 

Quote & Place CLD Order  / Invest / Currency Linked Deposits / Quote & Place CLD Order

Important Notice: If you have not registered a valid email address. We regret that we are not able to provide you with online Investment trading service.

Disclaimer

Currency Linked Deposit ("CLD") involves derivatives. The investment decision is yours but you should not invest in this product unless you fully understand the product is suitable for you having regard to your financial situation, investment experience and investment objectives.

Before making any investments, you should consult your own independent advisers on the legal, regulatory, tax, investment and financial implications of the investments to ensure that you understand the nature of the investments in order to consider whether the investments are suitable investments for you.

No indication, representation, guarantee or other assurance as to the outcome of any investment has been made or will be given to you by or on behalf of the Bank. You should seek independent legal and financial advice.

Key Risks

Investment involves risks, and the offering documents (including the Important Facts Statement and Product Brochure of this product) (where applicable) should be read for further details. Where past performance is quoted, the past performance figures shown are not indicative of future performance.

- CLD is NOT the same as NOR should it be treated as a substitute for normal time deposits NOR exchange of currency.
- **CLD is NOT principal protected. It is NOT a protected deposit and is NOT protected by the Deposit Protection Scheme in Hong Kong.**
- Investing in CLD is NOT the same as buying the Linked Currency directly.
- CLD is embedded with currency option. Option transactions involve risks, especially when selling an option. Although the premium received from selling an option is fixed, you may sustain a loss well in excess of such premium amount, and your loss could be substantial.
- The amount of gain is limited to the pre-determined interest rate no matter how high the price of the Linked Currency has increased.

Note

1. Online CLD Order Placement service is not eligible for the customer who

- is a First-time Buyer of CLD;
- does not have a valid Risk Profile maintained with our Bank;
- has been classified as not having knowledge of the nature and risks of derivative products according to the "Customer Knowledge of Derivative Products Assessment Form";
- possess vulnerable attributes but have not completed the relevant assessment; or who has assessed as a vulnerable customer or possess special vulnerable attributes (e.g. visual impairment, etc.);
- identified as having intellectual disabilities or Dementia;
- does not pass the "Technology Literacy Assessment";
- has a joint account that the effective signature is not signing by either one account holder;
- does not have a Hong Kong Dollar or Foreign Currency Designed Account;
- the Securities Account, Hong Kong Dollar or Foreign Currency Designed Account has not been added in i-Banking account portfolio; or
- Hong Kong Dollar or Foreign Currency Designed Account is a dormant account.

2. The order cannot be amended or revoked once you have confirmed the order.

Have you received, read and understood the offering documents (including the Terms & Conditions and the Important Facts Statement and Product Brochure) in the language of your choice (English or Chinese)?

Customer Acknowledgement and Declaration

I confirm that Currency Linked Deposit is not a protected deposit and is not protected by the Deposit Protection Scheme in Hong Kong. It is not the same as nor should it be treated as a substitute for normal time deposits.

Customer Declaration

- I acknowledge and agree that the Bank acts as a principal in executing the above order and the above order is subject to the Terms and Conditions of the Master Agreement as defined in the Terms and Conditions for Securities Services of the Bank, which I have read and understood.
- I have been invited to read the Risk Disclosure Statement set out in the Important Facts Statement and Product Brochure and take independent advice if I so wish. I also agree to be bound by them, which I have read and understood.
- I confirm that Currency Linked Deposit is not a protected deposit and is not protected by the Deposit Protection Scheme in Hong Kong. It is not the same as nor should it be treated as a substitute for normal time deposits. In making a linked deposit, I am undertaking market risk whereby the determination of the value I receive under a linked deposit is related to changes in the particular financial market to which the transaction is linked, and I am exposed to price volatility in that market. I may not receive the amount deposited by me or any cash at all on the maturity of the deposit. Any assets I may receive on the maturity of the deposit may be worth substantially less than the amount deposited by me.
- I authorize the Bank to debit my Designated Account(s) for settling this transaction, as stipulated in the Securities Account Mandate.
- I agree and acknowledge that this instruction will be treated as valid only if the deposit amount has been settled through my Designated Account(s). Upon the completion of the transaction, the Bank will mail a formal confirmation to my corresponding address.
- I accept that it is my sole duty and responsibility to decide whether or not to make a linked deposit and whether or not to take independent advice (which advice will not be provided by the Bank).
- I have completed a customer risk profiling questionnaire within one year from the above transaction and agree with the result.
- I understand and accept that the Bank has a right to rely on my risk profiling to access the suitability of investment product (where applicable), which the related product may not be suitable for other account holder(s), all account holders are jointly and severally responsible for the investment decision and take the risks and bear the possible losses that may result from the investment decision.
- I understand that Maturity Alert is a value-added service. I agree that if I need to update my contact information, the new contact may be effective in 7 working days. Information provided through the SMS is solely for my reference. I accept that unless due to the negligence or wilful default of the Bank, the Bank is not responsible for any liability for any error, failure or delay in sending any information to me through the SMS, or for any error, misdirection or interception of such information, or for any event beyond the Bank's control.
- I confirm and agree to the Assessment result that the product would be suitable for me as a result of each assessment above. I am advised to make sure myself clearly understand the product features, structure, fees & charges, and accept the associated risks in making my investment decision in consideration of my financial situation, investment experience and objective. The investment decision would be at my sole risk.
- I confirm that after investing in the above product, I still hold sufficient net cash to cover at least six months of monthly household expenses.
- I acknowledge to the health warning statement: "The product above is an investment product. The investment decision is yours but you should not invest in this product unless the intermediary who sells it to you has explained to you that it is suitable for you having regard to your financial situation, investment experience and investment objectives."
- I should notify the Bank immediately for follow up if there is any circumstances making obstacles for me to proceed the investment transaction via internet banking normally. I confirm I do not have those circumstances currently. The Bank shall be entitled to rely and execute based on my past record or technology literacy assessment result.
- In case of inconsistency between the English and Chinese versions, the English version shall prevail.

8. The system will identify whether an Asset Concentration Assessment is required according to your records in the Bank. If an assessment is required, please answer to the 2 questions, then click "Continue"; otherwise system will proceed to next page. (Remarks: The Bank will NOT accept your order with over-concentration.)

Asset Concentration Assessment

According to the bank record, the subscription amount of this transaction and the total investment amount in the same **product risk level** in the bank represent **equal to or more than 60%** of your total asset in the bank.

Including the subscription amount of this transaction and the total investment amount in the same product risk level in the Bank and other financial institution, does it represents less than 60% of your total net liquid asset in the bank and other financial institution (including cash, deposit and investment portfolio net of outstanding loans and credit (exclude mortgage loan))?

Exceed 60%
 Not Exceed 60%

According to bank record, the subscription amount of this transaction and the total investment amount in **this type of product** in the bank represent **equal to or more than 40%** of your total asset in the bank.

Including the subscription amount of this transaction and the total investment amount in this type of product in the Bank and other financial institution, does it represents **equal to or more than 40%** of your total net liquid asset in the bank and other financial institution (including cash, deposit and investment portfolio net of outstanding loans and credit (exclude mortgage loan))?

Exceed 40%

Customer Acknowledgement and Declaration

I confirm that Currency Linked Deposit is not a protected deposit and is not protected by the Deposit Protection Scheme in Hong Kong. It is not the same as nor should it be treated as a substitute for normal time deposits.

Customer Declaration

- I acknowledge and agree that the Bank acts as a principal in executing the above order and the above order is subject to the Terms and Conditions of the Master Agreement as defined in the Terms and Conditions for Securities Services of the Bank, which I have read and understood.
- I have been invited to read the Risk Disclosure Statement set out in the Important Facts Statement and Product Brochure and take independent advice if I so wish. I also agree to be bound by them, which I have read and understood.

- I confirm that after investing in the above product, I still hold sufficient net cash to cover at least six months of monthly household expenses.
- I acknowledge to the health warning statement: "The product above is an investment product. The investment decision is yours but you should not invest in this product unless the intermediary who sells it to you has explained to you that it is suitable for you having regard to your financial situation, investment experience and investment objectives."
- I should notify the Bank immediately for follow up if there is any circumstances making obstacles for me to proceed the investment transaction via internet banking normally. I confirm I do not have those circumstances currently. The Bank shall be entitled to rely and execute based on my past record or technology literacy assessment result.
- In case of inconsistency between the English and Chinese versions, the English version shall prevail.
