--	--

The image shows the Shacom Pay mobile application interface. The main screen displays a city skyline background with the text "Welcome to Shacom Pay" and a "Login" button. Below the login button are several icons: "Scan to Pay", "Pay", "Pay to A/C", "History", "e-Laisee", and "UnionPay QRC Withdrawal". The "UnionPay QRC Withdrawal" icon is highlighted with a red box. The second screen shows a "QR Code Withdrawal" menu with options like "Pay", "Pay to Account No.", "e-Laisee", "e-Gift", "Request", and "UnionPay QRC Withdrawal". The "UnionPay QRC Withdrawal" option is also highlighted with a red box. The third screen is titled "QR Code Withdrawal" and shows a "Setup up UnionPay QRC Withdrawal Instruction" section. It includes fields for "ATM Card & Withdrawal Account" (UnionPay HKD Shacom Card), "Withdrawal Amount" (500 HKD), and a note about the service only supporting local HKD withdrawals via UnionPay HKD Shacom Card at the moment.

<p>3. After setting up the instruction, you can select “Scan QR Code” to withdraw cash now or “Withdraw later”.</p>	<p>4. Press any button on the ATM number pad, choose “UnionPay QRC Withdrawal”, scan the QR code and enter the card PIN.</p>	<p>5. Transaction completed and withdraw your cash.</p>
---	--	---

The image shows the ATM withdrawal process. On the left, the Shacom Pay app displays a "Submitted" message and the withdrawal instruction details: ATM Card & Withdrawal Account (UnionPay HKD Shacom Card), Withdrawal Amount (500 HKD), and a "Scan QR Code" button. In the center, a photograph shows a UnionPay ATM screen displaying a QR code for withdrawal. On the right, the Shacom Pay app displays a "Completed" message: "Your withdrawal instruction has been completed." It also shows the withdrawal amount (500 HKD) and the transaction details: ATM Card & Withdrawal Account (UnionPay HKD Shacom Card), Withdrawal Amount (500 HKD), Transaction Date & Time (2025-05-07 10:40), ATM Information (ATM Merchants 00000010), and Other Reference No. (20258127457168138285).

[^]Applicable to individual customers with UnionPay HKD Shacom Card only, not supporting bank account linked with Credit Card.
